

## Student Financing Resources

Based on current interpretation of the IRS regulations as they apply to 501(c)(3) organizations, our organization is not able to host and organize fundraisers that only benefit individual participants, i.e. band student accounts. However, DONATIONS may be accepted for individual students toward their dues, outstanding account balances or special trips. Any donations received toward a student's account must be explicitly listed as such at the time of receipt. Below is a list of outside organizations to contact for assistance in acquiring these donations.

**Work racing events in April, May and October in exchange for a donation in your student's name:**

Money earned from working these events is deposited directly into your student account. Please confirm current hourly rates with Tracey and keep records of your times sheets.

## Friends and Family Sponsorships

You may solicit individual sponsorship from friends and family or even local businesses to support your dues. Please note: These sponsorships are NOT tax deductible for the person donating since they are a personal benefit to you and not to the organization. You may not solicit sponsorships from any active Band Program sponsor as listed on the [fbhsband.org](http://fbhsband.org) website.
