\$500+

About Us

Flowery Branch High School Band provides much more than music education and leadership training for local teens. We are an integral part of Hall County, adding the joy of music to holiday celebrations, parades, and football games. The nonprofit Band Parent Association supports 150+ students at FBHS and Davis Middle School. Thank you for your support!

Sponsorship Levels

Customizable sponsorships range from \$250 to \$10,000. Cash and in-kind sponsorships help with major expenses like hauling instruments, providing meals during travel, and replacing equipment. All sponsors receive a window cling for your business, a listing on fbhsband.org, and are linked in the weekly parent newsletter.
